Population will shrink from 2025 without new citizens

Two working-age citizens to support one elderly by 2030

A CLEAR blind spot today will shoul-
der a heavy burden of supporting the eld-
ery when the workforce enters the market-
ese in 2030, even if Singapore takes in more 
natives than it does now.

Only two people like him will support
each elderly citizen, instead of the six
said the agency overseeing the coun-
tries, are based on the following assump-
ions:

- TFR stays at 2.1
- STB stays at 1.2 and the number of new
citizens is 20,000 in 2020
- Worker population each year to stay at 36,015,000 to 25,000
- An age rises from 39 in 2011 to 42 in
